APPLICATION FOR COSMETOLOGY ESTABLISHMENT PLAN REVIEW

The following documents and materials must be submitted to obtain Health District approval for renovation or construction, and must be approved by the Health District prior to the start of any construction or renovation:

- Application for plan review, with the appropriate fee. New business/Change of Applicant: **\$385.00**. Renovation to existing business with no change in applicant: **\$110.00**.
- Two (2) copies of the floor plan, drawn to scale (1/4 inch = 1 foot) for the ENTIRE establishment; includes all floors and dumpster area (Architectural Drawings/Blueprints are preferred). All applicable equipment must be shown (chairs, workstations, shampoo sinks, pedicure stations, massage tables, hand sinks, utility sink, mop sink, restrooms.)
- A numbered equipment schedule, list on prints. Cut sheets, numbered to correspond to the equipment schedule for new equipment.
- Floor and wall finishes, including description of the type of covering for floor/wall junction (cove base, molding, etc.) listed on blueprints. Cove base is required if hairdressing or barbering is done.
- Cosmetology Establishment Information Sheet (attached) must be submitted.
- Samples of flooring, cove molding and base should be submitted for approval prior to any construction.

PROCEDURE FOR COSMETOLOGY PLAN REVIEW

1. Floor plans and equipment schedule are reviewed by sanitarians for Code compliance.
2. Necessary changes or modifications to plans are communicated to the owner or architect.
3. New plans, with required changes, are resubmitted for review.
4. When applicable, plans are stamped approved, and signed by Health District staff.
5. The Letter of Approval is mailed to the owner by the Health District. Letters are also mailed to the Fire Department, Building Department, Planning and Zoning, Aquarion (BHC), and Public Works.
6. Construction/renovation work may begin after zoning and building permits are obtained.
7. Health District sanitarians may inspect during construction and will inspect when construction is completed. Health District approval of construction is necessary in order to obtain a Zoning Certificate of Compliance (ZCC) from the Planning and Zoning Department and the Certificate of Occupancy (CO) from the Building Department.

Cosmetology Establishment Information Sheet

Number of Pedicure Chairs: _____ **Number of Manicure Stations:** _____

Number of Barbering Chairs: _____ **Number of Treatment Rooms:** _____

TOTAL # OF CHAIRS, STATIONS & ROOMS: _____

- (e) Record of annual Bloodborne Pathogens Training
- (f) The procedure for removing sharps containers from the premises
- (g) List of personal protective equipment used by provider
- (h) Procedure for decontamination and sterilization of equipment and surfaces
- (i) Procedure for handling contaminated linens

New license requirements by the Connecticut Department of Public Health for the following professions:

On and after July 1, 2020, except as allowed by law, no person may practice as an esthetician without obtaining a license or temporary permit from the Department of Public Health. “Esthetics” means services related to skin care treatments, (A) including, but not limited to, cleansing, toning, stimulating, exfoliating or performing any similar procedure on the human body while using cosmetic preparations, hands, devices, apparatus or appliances to enhance or improve the appearance of the skin; makeup application; beautifying lashes and brows; or removing unwanted hair using manual and mechanical means, and (B) excluding the use of a prescriptive laser device; the performance of a cosmetic medical procedure, as defined in section 19a-903c; any practice, activity or treatment that constitutes the practice of medicine; makeup application at a rented kiosk located in a shopping center or the practice of hairdressing and cosmetology by a hairdresser and cosmetician licensed pursuant to this chapter that is within such licensee's scope of practice.

On and after July 1, 2020, except as allowed by law, no person may practice as an eyelash technician without obtaining a license or temporary permit from the Department of Public Health. “Eyelash technician” means a person, who for compensation performs individual eyelash extensions, eyelash lifts or perms and eyelash color tints.

On and after January 1, 2021, except as allowed by law, no person may practice as a nail technician without obtaining a license or temporary permit, or a nail technician trainee license from the Department of Public Health. “Nail technician” means a person who for compensation cuts, shapes, colors, cleanses, trims, polishes or enhances the appearance of the nails of the hands or feet, excluding any practice, activity or treatment that constitutes the practice of medicine.

To obtain the appropriate license, you must contact the Connecticut Department of Public Health at 860-509-8000 or visit their website at portal.ct.gov/dph.
