Please send an email to: filesearch@aspetuckhd.org

1. List the address for which you need information in the email and subject line.
2. List specifically the documentation you need copied.

We process requests in order as they are received and strive to fulfill them within three business days.

Aspetuck Health District hours: Monday – Friday 8:30am – 4:30pm. If the requested information is present in the file, a pdf of the documentation will be emailed to the address from which we received the request, free of charge.

If the requested documentation is not present, the email response will state as such.

Easton File Search Requests Currently, all Easton environmental files reside in Easton's Building Department.

An Aspetuck Health District employee retrieves the requested information once a week.

Unforeseen circumstances may create a brief delay but, we make a concerted effort to keep to this timetable.
