

Effective July 1st, 2025, the Aspetuck Health District fee schedule will be increasing. The current fee schedule has not been updated in several years to reflect the increases associated with inflation, staffing and operational costs. AHD has completed an assessment and evaluation of its current fees to align with comparable town fees and health districts.

To view the current fee schedule and new fee schedule, please visit our webpage at <https://aspetuckhd.org>

We thank you for your business and your cooperation.
